Dear Parents and Guardians,

This morning a graffiti message was found written in the girl’s restroom of the Junior High School. The message threatened to “shoot the school up”. As always, the safety of students and staff is our top priority. Law enforcement was immediately notified. The Junior High students, faculty, and staff were put on a modified lock-down. In order to verify that no threat existed, student lockers and bags were searched. Metal detecting wands were used to determine if any students were in possession of a weapon.

After a thorough sweep of the building, NO evidence of any type of weapon was found. Once the all clear was given by law enforcement, students, faculty, and staff were able to return to their normal schedule.

We appreciate your willingness to continually trust us with your children. Thank you for your patience and understanding as student safety is our number one priority.

If you have any questions or concerns, please feel free to contact your child’s school or our office at 636-789-0060.

Sincerely,

Melissa Hildebrand
