.....

What are you Thankful for?

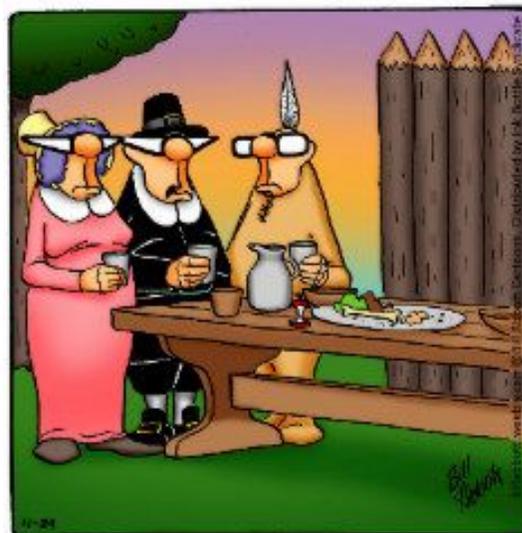

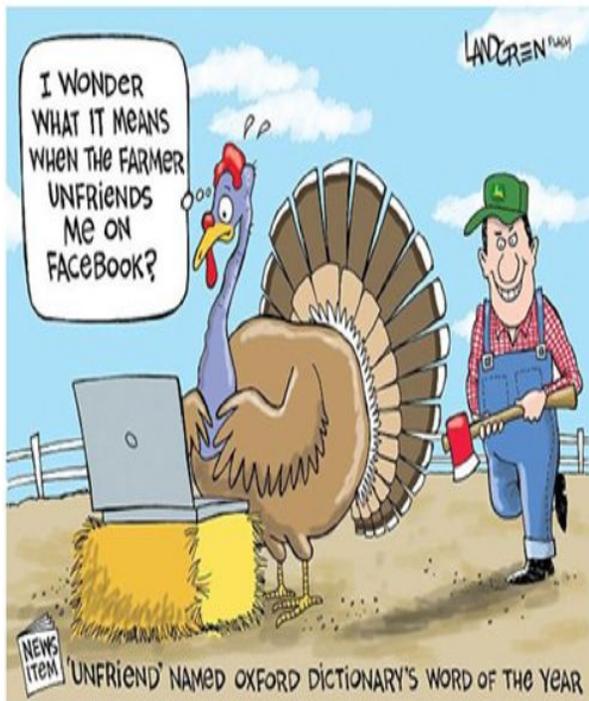

Thank you firecrews!!

With temperatures rising and precipitation significantly decreasing each year, there is no such thing as fire season anymore. Our firefighters are working year round to protect our lives and property. Ferocious fires continue to destroy our neighbors' homes and taken lives in and around Butte, Shasta, Siskiyou, and Jackson Counties, and those counties further south. I believe that I speak for our Butteville community that we hold a tremendous amount of sadness for the losses these past few months and years. We feel a strong thankfulness that our local communities are safe for the time being. We are eternally grateful for our firefighters and emergency crews this Thanksgiving with their unwavering dedication to keep us safe from harm. Thank you!

Butteville Board

The board is pleased to announce that Jim Brooks was chosen to join their ranks by filling the last vacant seat to form a full quorum. Congratulations and thanks for your service ahead of time Mr. Brooks, welcome aboard!

"My vote's for 'Bloated Food Coma of Gratitude,' but that's cool if everyone else prefers 'Thanksgiving.'"

Cold Weather = Cold Children

I love wearing shorts in all sorts of weather. As a teacher, I typically wear shorts until Thanksgiving before switching to those nagging pieces of cloth called pants that inhibit movement. That being said, it has been extra frigid these past few weeks. Did you know that your child is expected to play outside from their arrival until the first bell (unless of course, it is raining, snowing, sleeting, or icy). Many times teachers arrive to their classrooms with students huddled in mass, teeth chattering and bodies shaking. Funny fact, many of these aforementioned students are in shorts and sans hats and jackets. Please have your child wear warm clothing to school during extremely cold weather.

Reminder: Our Butteville Bulletin is online and on a free app for mobile phones. We are continually updating our website to make it more user friendly. We are also looking at the possibility of sending our weekly bulletin via email for your convenience.

Michael Kobseff, our county supervisor, along with first five rep, Andrea Herr paid a visit to kindergarten class this morning. The kindergarteners enjoyed listening to Mr. Kobseff read the book 'Quick as a Cricket.' Fun fact- Mrs. Herr was Mrs. Pappas's teacher many years ago.
