

*It is always assumed that school will operate on normal schedule unless announcement is made otherwise. The radio station requests that parents and students not call as this ties up the only means of communication available for school officials.

Emergency School Closing & Delay Information

When inclement weather strikes, we must be prepared to deal with possible emergency school closings and delays. Please stay tuned to local radio and television stations for school information. We will be listed as: Lawrenceburg Community Schools and there are three options to watch/listen for:

Closed - No school for students and staff.

2-Hour Delay - School will start two hours later than normal. This means buses will pick up students two hours later than usual. (Example - if normal time is 7:30 AM students will be picked up at 9:30 AM.) **Breakfast is not served on those days.**

Open with Limited Bus Service - School is open, but buses will not run on the following roads in the morning only. Bus service will be available in the afternoons.

Beckett Landing (will need to meet at Miller)	Loretta
Butler	Meyer
Church	Pribble
Elizabeth	Randy
Hardwood Ridge	Rookwood Estates
Hidden Valley Lake (meet at front entrance)	Scenic
Hillcrest	Sunrise Estates
Horizon Way	Tower
Keller	Valley Woods Hill (will only run circle around lake)
Kirby	Wilson Creek
Lexington	

Note: Parents can meet the bus at the end of the road if they want bus service, as the bus will run Highway 48

Students who live where buses do not run will be excused, but need to notify school. Please remember to listen to WSCH 99.3 FM or watch your local TV stations for the information about Lawrenceburg Community Schools

In case of school cancellation or early dismissal due to weather, all ECA activities will be cancelled for the day. This includes all practices, competitions, meetings, etc. Every effort will be made to reschedule.

LCSC has an automated program that will contact parents when the school will be closed for emergency reasons, such as, severe weather, power outages, etc. The parents will also be contacted if there is going to be a 2 hour delay. **It is very important for parents to keep the school office informed of any changes in phone numbers, addresses, or pick up information.**

Equal Education Opportunity

It is the policy of the Corporation to provide an equal education opportunity for all students.

Any person who believes that the School or any staff person has discriminated against a student on the basis of the Protected Class of race, color, national origin, sex, disability, age, religion, military status, ancestry, genetic information (collectively, "Protected Classes"), or any other legally protected category, in its programs and activities, including
