Counselor's Corner

Mrs. Sandy Andaverde

As we come to the end of Mental Health Awareness Month, it is difficult to not reflect on the recent happenings in Uvalde, Tx. It is safe to say that we have all come across people having stressful times in their lives and we may not know what to do. If you ever feel that you or someone you know is in need of mental health help, please reach out. We are all connected and therefore what hurts one can hurt many. You are not alone and we are in this together. Our thoughts and prayers go out to those affected by this tragedy. If you feel you need to talk about how the tragic events in Uvalde has affected you, reach out to me.

Cardinal Spotlight

La Villa Early College High School Class of 2022

The Cardinal graduating Class of 2022 received over 87 acceptance letters to 17 universities & colleges with an enlistment to the Navy. This is the most any graduating class at LVECHS has achieved.

As a proud principal, this was a special graduating class. Not only because they are a great class (and my first freshmen group) but because it is also my last at LVECHS. I will be serving LVISD in a new role as Director of Instructional Technology.
