#Building our Future

Construction Update: RHS EXPANSION - Week ending 11/16/18

With first floor exterior wall framing complete, work began and completed this week on second floor exterior wall framing. Second floor decking was installed with concrete topping slab pour to follow. Concrete block wall at stairwell is complete, and interior framing is progressing on the first floor.

#Building our Future

Construction Update: VRMS REPURPOSING: Week ending 11/16/18

In parking lot, paving and striping is complete, and sidewalks were installed; work on storm piping and bioretention swale continues. Irrigation and hydroseeding work is ongoing in nearby field. Concrete formwork is being installed in the Courtyard. Painting is progressing well in school district offices.
