We would like for each child entering 1<sup>st</sup> grade to have a chair bag for his/her desk. They will keep their supplies in it. The bag will slip over the back of the chair. We recommend denim or heavy cotton fabric. To improve the sturdiness of the bag, bind the edges with bias tape. You will need a piece of fabric 17 inches by 40 inches. Bind the top and bottom short edges with bias tape. Fold 9 inches on the top with the wrong sides together and sew. Bind the 2 long edges with bias tape. Chair bags of this type may be purchased with Susan Dardar (cell #337-344-5126), at Phil's in Abbeville, and online.
