

****Blizzard Bag Day 2****

Go to an art museum, art gallery or photography web page and find two very different artworks, copy and paste the images, include the credit line information. Write two paragraphs, one to compare likenesses and one to contrast differences. Try to include the elements of art and principles of design in your discussion. If no access to internet, you may use two images from a textbook, magazine, or other book. If no magazines or books, use two pieces of your own art for this assignment.

Standards Covered in Lesson:

- 6PE Describe the decisions made in the design of everyday objects.
- 1RE Explore various methods of art criticism in responding to artworks.
- 5RE Identify and explain one or more theories of aesthetics and visual culture.
- 6RE Identify various venues for viewing works of art.

Materials Needed:

- Computer, magazine, textbook, or your own artwork
- Computer or paper and pen (blue or black) to write your 2 paragraphs comparing and contrasting the artworks you choose.
- Computer to print out the images you chose for this assignment. (If you used pictures from another source bring in that magazine, textbook, etc.. to class)
