

Dear Families,

In the event of a school cancellation, preschoolers have access to blizzard bags online. These papers may be downloaded off of the Wellsville Local School website at wellsville.k12.oh.us

The 4 year olds who receive DVD homework will just continue with homework already assigned. The 3 year olds who do not receive DVD's will have access to worksheets that may be downloaded and completed with an adult. In the event of a snow day falling on the Friday that the DVD homework has been completed, you may download one of the worksheets from the website.

Day one worksheet: My Big World- Insects Have 6 Legs

Day two worksheet: My Big World- Find Healthy Foods

Day three worksheet: My Big World- Put Apples on the Tree
