

CHELAN MIDDLE SCHOOL BULLETIN

Tuesday, November 20, 2018

LUNCH TODAY: Thanksgiving Feast

BREAKFAST MONDAY: Ham and Cheese Scramble, Toast

STAFF & STUDENTS:

- CMS Science Olympiad meeting in Mr. Plummer's room (#209) TODAY at lunch. If you would like to participate in this year's middle school Science Olympiad, then bring your lunch up to Mr. Plummer's room and talk some science.
- Today, people all around the world are commemorating the Transgender Day of Remembrance. This occasion is a way to memorialize those who have been silenced and to bring attention to the violence and discrimination brought unto the transgender community. There will be a decorated wall, in the CHS hallway, providing more information about the Transgender Day of Remembrance. We encourage all to check it out and pursue more information online.

The following students have received a Pirate Patch!

Amy Gordon; accountability
