

## **Important Announcement Regarding School Meals For School Year 2022-2023**

**All Child Nutrition Programs across the U.S. will be returning to normal, pre-pandemic, operations at the start of the 2022-23 school year. This means if you wish to apply for free or reduced meals for your students, you will need to complete a 2022-23 meal application at the start of the school year or prior to the start of the 2022-23 school year, starting July 1, 2022. If you choose not to complete an application, your students will be full pay. Notification will be sent out as soon as the 2022-23 free and reduced meal application is made available by the United States Department of Agriculture. More information will follow as the Child Nutrition Department receives additional guidance from the United States Department of Agriculture and the Ohio Department of Education Child Nutrition Program. For additional information, please contact Georgetown Exempted Village Schools at 937-378-6730 or 937-378-6235.**
