

## How does School Wide Positive Behavior Support work?

Bald Eagle Area School District has a mission to teach for success. When a child needs support in math or reading, we work hard to strengthen his or her deficient skills. Behaviors that guide our children toward success are supported in the same way.

- ♦ Expectations and rules are taught, demonstrated, and encouraged throughout the school year.
- ♦ Expectations and rules are visibly displayed within each learning environment. These can be stated by all students and staff.
- ♦ Students are acknowledged and rewarded for displaying positive behavior.
- ♦ Students who display inappropriate behavior will be "retaught" the needed skills. Privileges may be revoked until behaviors are controlled.

## **How can families help with School Wide Posi- tive Behavior Support?**

Parents and guardians play a crucial role in the development of a child's behavior. Here are some suggestions you can use at home to help your child embrace School Wide Positive Behavior Support.

- ♦ Be a good role model. Children often imitate behaviors they see at home.
- ♦ Talk to your child about their school day.
- ♦ Ask your child about the Soaring Eagle they have received.
- ♦ Keep communication between you and your child's teacher active throughout the school year.
- ♦ Focus on the positive choices your child is making.
