

## **Code No. 604.4 PROGRAM FOR AT-RISK STUDENTS**

The board recognizes some students require additional assistance in order to graduate from the regular education program. The board will provide a plan to encourage and provide an opportunity for at-risk students to achieve their potential and obtain their high school diploma.

The board will annually determine their support of the Clayton County Alternative School, which provides an alternative program for students who are at a high risk for dropping out of school.

It is the responsibility of the superintendent, with the cooperation of the principals and guidance counselors, to develop a plan for students at-risk, which provides for identifying students, for program evaluation, and for the training of employees.
