We want to know what you think about your school. This is not a test. There are no wrong answers. The information from the survey will help us understand what you think about your school experience.

We will not share your answers. No one will be told how you answered.

This survey is voluntary. You do not have to answer any question if you do not want to, but we hope you will answer as many questions as you can. If you are not sure what a question means, it is okay to skip it.
