

Do YOU Need College Scholarships?

Many of Appalachia's best and brightest cannot access higher education at the current price tag. COAD wants to change that. The **David V. Stivison Appalachian Community Action Scholarship Fund** was created as a tribute to David's pursuit of academic excellence and his commitment to help others achieve their fullest potential. The scholarship provides **financial assistance to students who are residents of the 30 counties in the Corporation for Ohio Appalachian Development service area and want to attend college but lack the required resources.**

This award is uniquely resource based. COAD maintains a **non-discriminatory approach** to application consideration. Proof of acceptance to an accredited 2 or 4 year institution required. Awards will be announced no later than **May 20th, 2023.**
