

**ECHO Charter School**  
**Minnesota Science Museum Field Trip**  
**Thursday, 11/29/18**

*Please read carefully!*

**Thursday morning:**

--Students on bus routes will be picked up at their regular time and will have breakfast at the usual time.

--Attendance will be taken and students/teachers/chaperones will load buses for 8:15 departure. There will be two buses and one van on the trip (in the event of illness or behavior issues.) The buses will arrive at the Science Museum about 11:15.

--Students will eat their sack lunch and spend about three hours learning about all the cool things at the museum!

--Students can bring spending money for the gift shop, but will not be allowed to purchase hot food on site. Everyone will be given a sack lunch for the trip; if they plan to bring a lunch from home, it must conform to school lunch rules AND Tracy must be notified. (No sodas or energy drinks, please!)

**Thursday Afternoon/Evening:**

--Buses will leave the museum at 2:30 and will make stops as follows below.

**IMPORTANT:**

There will be no regular p.m. bus route home following the field trip. However, one bus will have Sacred Heart/Granite Falls/Travers Lane kids on it and will make the following stops:

--Around 5:15: Sacred Heart Cenex

--Around 5:30: Granite Falls Cenex

--Around 5:40: Travers Lane

Parents of those students should plan to pick up their kids at one of those stops.

**PARENTS OF STUDENTS LIVING IN ANY OTHER LOCATIONS MUST PICK THEIR KIDS UP AT SCHOOL ABOUT 5:30.**

*As always, students represent ECHO Charter School and must comport themselves properly, using proper language and making good choices! Students who do not, will be returned to the bus with a chaperone.*
