

## K-5 GoMath Parent Login Reminder:

Go to: <https://www-k6.thinkcentral.com/>

Please use the **username and password** that your child's teacher sent out.

Most cases the username is: first initial last name and the grade level of your child. (Example: jdoe4 for John Doe 4<sup>th</sup> grade)

Passwords may be different depending on school and teacher.

***Your child should be able to help you with this!***

***Things To Do:*** This houses all of your child's assignments that need to still be completed.

***My Library:*** This houses your child's math e-book, Math on the Spot video tutorials for each lesson, and others depending on what your teacher gave your child access to.

***My Scores:*** This area shows you the scores your child has earned for every online assignment the teacher has given. Click directly on the assignment name for more specific details.

*You can also download the HMH Player app on a smart device.*

*Login information remains the same!*
