

One-Cent Sales Tax

For South Central CUSD #401 Facilities

On April 2nd, a one-cent sales tax proposal is on the ballot in Fayette County. The revenue from this sales tax, if passed, can only be used to improve school facilities or retire new or existing building bonds. Our Board of Education voted to place this proposal on the ballot because it will provide a reliable source of revenue to provide property tax relief to our residents.

If this proposal passes, our District will have the ability to step away from the reliance on property taxes.

Property Tax Relief

All across Illinois there has been a call for property tax relief. This proposal, in part, is an answer to that call. Traditionally, all school building improvements have been funded through property taxes. By passing this proposal, much of the burden for funding public education facility improvements will be shifted to a sales tax – and a sales tax that is very equitable and fair in its design (see the back page).

Be Informed and Remember to Vote

This proposal is important to the future of our District. Please be fully informed on this issue and remember to vote. There is more information about this proposal on the back of this flyer.

One-Cent Sales Tax

For South Central CUSD #401 Facilities

The County School Facility Sales Tax represents the first shift away from relying on property taxes for local school district funding in Illinois. The law went into effect in 2007 (based on a similar law in Iowa) allowing voters to approve a sales tax to fund school facility needs. The sales tax is for one cent on every dollar spent on qualifying retail purchases. School Boards representing a majority of the resident student enrollment in Fayette County have passed resolutions approving the sales tax resolution, and the question will be placed on the ballot at the next scheduled election.

A More Equitable Sales Tax

The design of this sales tax is more equitable to those living on fixed incomes or in professions that could be severely impacted by a new sales tax.

It is important to know what is **NOT** subject to this tax

- Unprepared Food (groceries)
- Prescriptions and over-the-counter medications
- Cars, Trucks, ATVs, Boats, RVs and Mobile Homes
- Farm Equipment, Parts, and Farm Inputs
- Services are also not taxed
- If it is not currently taxed, it will not be taxed

How much more would I actually be paying if this passed?

- \$100.00 of grocery food = **no increase**
- \$50.00 of gas = 50 cents
- \$15,000 car/truck = **no increase**
- \$7.00 of fast food = 7 cents
- \$450.00 TV = \$4.50
- \$40.00 of medicine = **no increase**
- \$70.00 pair of shoes = 70 cents
