2 **Staff Dress and Appearance**

3
4 The attire worn by staff members conveys an important image to
5 students and the general public.

6
7 **Certified staff, paraeducators and office staff** should generally
8 dress in business casual attire.

9
10 Classroom staff **may not** wear the following types of clothing during the
11 traditional school day from, when students or visitors are in attendance,
12 or when the employee is supervising, directing or coaching students
13 when the public is in attendance:

- 14 • Sweat, jogging and wind suits, except when teaching a physical
15 education activity in the gymnasium or on a playing field or at athletic
16 or other activity practices.
- 17 • Shorts, except when teaching physical education class or at athletic
18 or other activity practices.
- 19 • Blue jeans, except at athletic or other activity practices.
- 20 • Any clothing which is immodest and may distract other employees or
21 students in the learning environment.

22
23 The building principal may temporarily suspend all or a portion of the
24 dress code when other factors support a lower dress expectation for
25 school employees (e.g., special "casual days").

26
27 The appearance of professional staff members shall be appropriate to
28 their assigned duties and indicative of their professional standing in the
29 school and community.

30
31 **Custodial, maintenance and transportation staff** should dress in
32 attire appropriate to the work they are performing.
