

EVALUATION OF TEACHING STAFF MEMBERS

The board of education believes that the effective evaluation of teaching staff is essential to the achievement of the educational goals of this district, including student achievement of the New Jersey Student Learning Standards. The purpose of this evaluation shall be to promote professional excellence and improve the skills of teaching staff members; improve pupil learning and growth; and provide a basis for the review of staff performance.

The board is committed to establishing educator evaluation rubrics for the evaluation of teaching staff members' effectiveness to further the development of a professional corps of State educators and to increase student achievement. The district evaluation system shall facilitate:

- A. Continual improvement of instruction;
- B. Meaningful differentiation of educator performance using four performance levels;
- C. Use of multiple valid measures in determining educator performance levels, including objective measures of student performance and measures of professional practice;
- D. Evaluation of educators on a regular basis;
- E. Delivery of clear, timely and useful feedback, including feedback that identifies areas for growth and guides professional development; and
- F. District personnel decisions.

Definitions

For the purpose of this board policy the following definitions shall apply:

"Corrective action plan" means a written plan developed by a teaching staff member serving in a supervisory capacity in collaboration with the teaching staff member to address deficiencies as outlined in an evaluation. The corrective action plan shall include timelines for corrective action, responsibilities of the individual teaching staff member "and the school district for implementing the plan, and specific support that the district shall provide.

"Post-observation conference" means a meeting, either in-person or remotely, between the supervisor who conducted the observation and the teaching staff member for the purpose of evaluation to discuss the data collected in the observation.

Teaching staff members include the positions of school nurse and school athletic trainer. There are three different types of certificates that teaching staff members work under:

- A. An instructional certificate (holders of this certificate are referred to in this chapter as "teachers");
- B. Administrative certificate; and
- C. Educational services certificate (N.J.A.C.6A:9B-14.1 et seq.).

Some examples of teaching staff member positions without instructional responsibilities include supervisor, director, school nurse, athletic trainer, principal, vice-principal, student assistance counselor, school psychologist, and guidance counselor.

It is important to note that there are different requirements in this policy and in the law for the training, observation and observation conferences of classroom teachers with instructional responsibilities and those certified staff members who have no instructional responsibilities. This also includes differences in the educational rubrics adopted by the board and approved by the commissioner. The requirements of this policy and law for other aspects of teacher evaluation apply to staff with and without instructional responsibilities (teaching staff members) including reports, personnel records, professional development plans and corrective action plans.

“Teacher” is defined as a “teaching staff member” who holds the appropriate standard, provisional, or emergency certificate issued by the State Board of Examiners and who is assigned a class roster of students for a particular course.

The evaluations may cover that period between April 30 of one year and April 30 of the succeeding year. In the case of the first year of employment all three evaluations must be completed prior to April 30. The number of required observations and evaluations may be reduced proportionately when an individual teaching staff member's term of service is less than one academic year. Each evaluation shall be followed by a conference between that teaching staff member and his or her superior or superiors. - E. A pre-conference, when required, shall occur at least one but not more than seven teaching staff member working days prior to the observation.

Annual Written Performance Report for Teachers

The annual written performance report shall be prepared by the designated supervisor. In the case of a teacher, the annual written performance report shall be prepared by the teacher's principal, or his or her designee, and shall include, but not be limited to:

If any scores for the teaching staff member's evaluation rubric are not available at the time of the annual summary conference due to pending assessment results, the annual summative evaluation rating shall be calculated once all component ratings are available.

Teaching Staff Members other than Teachers, Principals, Vice Principals and Assistant Principals

Some examples of teaching staff member positions without instructional responsibilities may include supervisor, director, school nurse, athletic trainer, student assistance counselor, school psychologist, and guidance counselor.

The components of the teacher evaluation rubric shall apply to teaching staff members other than a teacher, principals, vice principals and assistant principals and the district shall determine the components of the board adopted rubric that apply to staff without instructional responsibilities.

Observations include, but are not limited to: observations of meetings, student instruction, parent conferences, and case-study analysis of a significant student issue. The observation shall:

- A. Be at least 20 minutes in length;
- B. Be followed within 15 teaching staff member working days by a conference between the supervisor who made the observation and the nontenured teaching staff member;
- C. Be followed by both parties to the conference signing the written or electronic evaluation report and each retaining a copy for his or her records; and
- D. Allow the teaching staff member to submit his or her written objection(s) of the evaluation within 10 teaching staff member working days following the conference. The objection(s) shall be attached to each party's copy of the annual written performance report. The district may consider and address the objections in the teacher's corrective action plan.

All tenured teaching staff members shall receive at least one observation per school year. All nontenured teaching staff members shall receive at least three observations.

EVALUATION (continued)Personnel Records of Teaching Staff Members

The board shall include all written performance reports and supporting data, including, but not limited to, written observation reports and additional components of the summative evaluation rating as part of the teaching staff member's personnel file or in an alternative, confidential location. If reports and data are stored in an alternative location, the personnel file shall clearly indicate the report's location and how it can be easily accessed. The records shall be confidential and shall not be subject to public inspection or copying according to the Open Public Records Act (N.J.S.A. 47:1A-1 et seq.) and board policy 4112.6/4212.6 Personnel Records.

Teacher Professional Development Plans

Each teacher shall be guided by an individualized professional development plan (PDP), which shall include at least 20 hours per year of qualifying activities. The 20-hour annual requirement shall be based on the length of full-time employment and reduced by a pro rata share reflecting part-time employment, or an absence, including the use of family or medical leave.

The content of each PDP shall be developed by each teacher's supervisor in consultation with the teacher and shall align with the Professional Standards for Teachers in N.J.A.C. 6A:9-3 and the Standards for Professional Learning in N.J.A.C. 6A:9C-3.3. The individual PDP shall be effective for one year and shall specify, at a minimum:

- A. One area for development of professional practice derived from the results of observations and evidence accumulated through the teacher's annual performance evaluation;
- B. One area for development of professional practice derived from individual, collaborative team, school, or school district improvement goals.

Progress on the individual PDP shall be discussed at the annual summary conference as detailed in board policy 4116 Evaluation of Teaching Staff Members and law (N.J.A.C. 6A:10-2.4). Evidence of progress toward meeting the requirements of the teacher's individual PDP may be provided by the teacher and/or his or her supervisor, and shall be reviewed as part of each annual summary conference.

Each teacher's individual PDP shall be updated annually no later than October 31. If the teacher is hired after October 1, the PDP shall be developed within 25 working days of his or her hire. A teacher's individual PDP goals may necessitate more than the recommended minimum requirements of 20 hours of professional development annually. Additional hours of qualifying experiences may be required for teachers in low-performing schools, as determined by the Commissioner.

The board of education shall ensure that all teachers receive the necessary opportunities, support, and resources to engage in ongoing professional learning and to complete the requirements of their respective PDPs.

Corrective Action Plans for Teaching Staff Members

When a teaching staff member is rated ineffective or partially effective on the annual summative evaluation, as measured by the evaluation rubrics, a corrective action plan shall be developed by the teaching staff member and the chief school administrator or the teaching staff member's supervisor.

A corrective action plan shall be developed by the teaching staff member and the teaching staff member's designated supervisor when the teaching staff member is rated ineffective or partially effective on the annual summative evaluation, as measured by the evaluation rubrics. If the teaching staff member does not agree with the corrective action plan's content, the designated supervisor shall make the final determination.

EVALUATION (continued)

The corrective action plan shall be developed and the teaching staff member and his or her designated supervisor shall meet to discuss the corrective action plan by October 31 of the school year following the year of evaluation. However, if the ineffective or partially effective summative evaluation rating is received after October 1 of the school year following the year of evaluation, a corrective action plan shall be developed, and the teaching staff member and his or her designated supervisor shall meet to discuss the corrective action plan within 25 teaching staff member working days following the school district's receipt of the teaching staff member's summative rating.

The content of the corrective action plan shall replace the content of the individual professional development plan until the next annual summary conference.

The content of the corrective action plan shall:

- A. Address areas in need of improvement identified in the educator evaluation rubric;
- B. Include specific, demonstrable goals for improvement;
- C. Include responsibilities of the evaluated employee and the school district for the plan's implementation; and
- D. Include timelines for meeting the goal(s).

The teaching staff member's designated supervisor and the teaching staff member on a corrective action plan shall discuss the teaching staff member's progress toward the goals outlined in the corrective action plan during each post-observation conference. The teaching staff member and his or her designated supervisor may update the goals outlined in the corrective action plan to reflect any change(s) in the teaching staff member's progress, position, or role.

Progress toward the teaching staff member's goals outlined in the corrective action plan shall be documented in the teaching staff member's personnel file and reviewed at the annual summary conference or the mid-year evaluation. Both the teaching staff member on a corrective action plan and his or her designated supervisor may collect data and evidence to demonstrate the teaching staff member's progress toward his or her corrective action plan goals.

Progress toward the teaching staff member's goals outlined in the corrective action plan may be used as evidence in the teaching staff member's next annual summative evaluation; however, such progress shall not guarantee an effective rating on the next summative evaluation.

Responsibilities of the evaluated employee on a corrective action plan shall not be exclusionary of other plans for improvement determined to be necessary by the teaching staff member's supervisor.

Mid-Year Evaluation of the Corrective Action Plan

The School Improvement Panel shall ensure teachers with a corrective action plan receive a mid-year evaluation. The mid-year evaluation shall occur approximately midway between the development of the corrective action plan and the expected receipt of the next annual summative rating. The mid-year evaluation shall include, at a minimum a conference to discuss progress toward the teacher's goals outlined in the corrective action plan. The mid-year evaluation conference may be combined with a post-observation conference.

The School Improvement Panel shall ensure teachers with a corrective action plan receive one observation, including a post-observation conference, in addition to the observations required as part of the teaching staff member evaluation process.

EVALUATION (continued)

Tenured teachers with a corrective action plan shall be observed by multiple observers.

Implementation

This policy and related procedures shall be reviewed at least yearly, and any necessary revisions made before readoption by the board.

The board shall ensure that the chief school administrator notifies each teaching staff member of the board adopted evaluation policies and procedures no later than October 1. If a staff member is hired after October 1, the teaching staff member shall be notified of the evaluation policies and procedures at the beginning of his or her employment.
