The goal of all such programs shall be achievement of the New Jersey Student Learning Standards.

Students enrolled in bilingual, ESL, and English language services programs shall have full access to educational services available to other students in the district. To the extent that is administratively feasible, supportive services to ELLs, such as counseling, tutoring, and career guidance, should be provided by bilingual personnel who are familiar with and knowledgeable of the unique needs and background of the ELLs and their parents.

Parents/guardians of English language learners shall be notified by mail of the fact that their child has been identified as eligible for enrollment in a bilingual, ESL or English language services education program. This notification shall be issued within 30 days of the child's identification and shall include the information that the parents may choose to decline to enroll their child into the bilingual program. Students shall be placed in a monolingual English program when they have demonstrated readiness to function successfully in an English-only program. The process to determine the readiness or inability of the individual student to function successfully in the English-only program shall be initiated by the student's level of English proficiency as measured by a Department-established standard on an English language proficiency test. The readiness of the student shall be further assessed on the basis of multiple indicators that shall include, at a minimum:

The notice shall be in English and in the language in which the parents/guardian possesses a primary speaking ability. If the parent(s), guardian, or teaching staff member disagrees with the placement, he or she may appeal the placement to the Commissioner, after appealing the decision to the board.

Parents/guardians may remove a pupil who is enrolled in a bilingual, ESL or English language services program at any time; except that during the first three years of the pupil's participation in a bilingual education program, he/she may only be removed at the end of each school year. Removal prior to the end of the school year shall be approved by the executive county superintendent. If the executive county superintendent determines that the pupil should remain in the bilingual education program until the end of the school year, the parents/guardians may appeal that decision to the commissioner of education/designee pursuant to law. The commissioner shall render a decision within 30 days of the filing of the appeal.

Parent Involvement

The board is committed to providing the maximum practicable involvement of parents/guardians of ELLs in the development and review of program objectives and dissemination of information to and from the board and communities served by the bilingual, ESL, or English language services education programs. The request must be approved by the Department of Education, and the school district must be able to demonstrate that it would be impractical to provide a full-time bilingual program due to the age range, grade span, and/or geographic location of eligible students.
