Last night the 8th grade boys basketball team split a pair of games with conference rival Paul Hadley. The "A" team beat the Pioneers, while the B team came up short. The 7th grade fell in both of their games.

As the Christmas season begins, we are reminded to spread good cheer to everyone we meet. Here at CPMS, you have a perfect opportunity to do this by donating canned foods to the Good Cheer Fund drive. Beginning today and every day, through December 17th 1st period teachers will be collecting CANS ONLY from you. We want as much participation as possible, so there will be several incentives, besides just feeling good about helping the less fortunate in your own community.

1. For every can that you bring in, you will get a raffle ticket. Write your name on the tickets and turn those in during lunch. We will draw names for students to receive fun gift cards.
2. The 1st period with the most cans collected in each grade level will win a doughnut party.
3. Our goal is 2500 cans!

So start bringing in those cans and spread the good cheer!

The choir department would like to thank all the students and staff for voting in the B105.7 Christmas Choir Competition. Thanks to your continued support, our students WON! We can't wait to represent CPMS on WISH-TV's holiday special on December 23! Details will be shared later!

Students interested in interviewing for technical positions in the school play, please make sure to hand in your applications by the end of the day today. Interviews will be

held after school Wednesday, Thursday, and Friday. Remember to dress formally and come prepared. See Mr. Rebello if you have any questions.

Students please make sure you are not wearing or using your earbuds, headphones or portable speakers during the school day. We've noticed an increase of use during passing period and this is a violation of our electronic device policy. Remember you are not allowed to use your phone or other devices to listen to music during the school day. There is no reason to wear your earbuds during passing periods. If you violate the policy your earbuds and/or electronic device could be confiscated and you will receive the necessary consequence according to the PEDG policy. Please make sure you are following this expectation.
