

DISTRICT OPERATION DURING PUBLIC EMERGENCIES

The district believes that student learning is the heart of its core mission. While traditional in-person teaching continues to provide the greatest learning opportunity to all students, there may be rare and unusual circumstances that prevent the school community from convening in traditional in-person settings. At times of a public emergency declared by federal, state or local officials, the district will seek guidance and recommendations from federal, state and local agencies to assist in determining the safety of convening traditional in-person learning.
