Still Life Photography

4th, 5th, & 6th grade students just finished working with Lisa Tarver with the Arts in Education program. Students took a variety of black and white still life pictures, then added color to the photos using markers. They created some impressive photos!

4th, 5th, & 6th Grade students have been helping 1st grade students meet their Accelerated Reading goals. GT Dragons read books with the younger Dragons and helped them with the testing process on the computers.
