

# FISD Board Receives Recognition

*Making the best decisions for the children in our district.*

October 06, 2015

The FISD Board of Trustees received the Region 17 Honor Board Award at the Annual School Board Convention in Austin. "The Floydada community and school district are blessed with an outstanding group of board members who strive for excellence and who make decisions on what is best for the children of our district. There is no group more deserving of this recognition than our own board of trustees. I am honored to have the opportunity to work closely with them to continue to make our district the best it can be. Congratulations to our board," says Dr. Gilbert Trevino.
