

## How to Enroll Your Child in the Mahomet-Seymour School District

Mahomet-Seymour School District uses Skyward as its student information system. Parents access this web-based system through the Skyward Family Access portal to view grades, schedule parent/teacher conferences, pay fees, etc. Before you can access Skyward Family Access, you need to enroll your student through our online enrollment process. How you enroll your child depends on whether you already have children in the School District. You can start by determining which category (below) applies to your family.

*1. If you **DON'T** have other children in the School District, Please access the Online Enrollment process by following this link:*

**<https://goo.gl/Bm7pFw>** (IMPORTANT: PLEASE WRITE DOWN YOUR TEMPORARY PASSWORD)

*2. If you **DO** have other children already in the School District, you can simply log into your existing Family Access account and click on "New to District Enrollment"*

Please complete the online enrollment process as soon as possible. You will be contacted via email if your enrollment form requires attention. When your child's enrollment is approved, you will receive an email containing your Skyward Family Access login information.

Once you are able to successfully log into Skyward Family Access, you made it!
