SECTION III - TEACHING CONDITIONS

3.1 TEACHING HOURS

3.1.1 The regularly scheduled day for both the elementary and secondary Unit Members shall be a contiguous seven (7) hours and twenty-one (21) minutes. The "zero" hour may be canceled and the teacher returned to the regular workday schedule if enrollment/scheduling makes it impractical to operate the "zero" hour program.

If the zero hour represents an additional instructional period, the Unit Member will be compensated at their per diem rate.

- 3.1.6 If a Unit Member consents to teach without a prep period, compensation will be paid at the per diem rate.

3.2 CLASS SIZE

- 3.2.1 The Board recognizes that the pupil-teacher ratio is an important aspect of a safe and effective educational program and that effort will be made to provide for a safe class size whenever possible. - 3.2.2 While the Board retains the right, at its sole discretion, to establish pupil-teacher ratio and/or to approve/disapprove advanced programs, the Federation is encouraged to provide timely written recommendations to the Board, through the Superintendent of Schools, in regard to pupil-teacher ratio and/or advanced programs.

The Superintendent may waive the responsibility for payment of the cost for the substitute, if special circumstances are determined to warrant such a waiver.

Both parties agree that any approval of unpaid leave days is non-precedent setting and that each request will be determined on its own merits and on an individual basis.

Approval must be obtained by both the Unit Member's principal and the Superintendent after submitting a request in writing.

Any remaining Board contribution shall be paid toward the eligible employee's Health Savings Account or Health Reimbursement Account, whichever is applicable. Should the Board choose to self-fund its insurance plan in order to realize cost savings, the Parties agree that they will split any resulting savings, with half the savings going to the Board and half to the employee.

If making direct payment, the Employee shall present payment directly on the 1st of each month prior to the date at which the payment becomes due. Failure of an Employee to pay their portion of the costs shall alleviate the Board of any duty to pay the Board contribution. - 5.1.4 Employees who have access to another Employee's Board funded insurance shall not be eligible for separate Board provided health insurance. - 5.1.8 To the extent permitted by law or regulation, and/or insurer's policies, Board-paid insurance premium contributions shall continue as long as the Employee is in a pay status, but terminate at the end of the month during which the Employee ceases to be in a pay status, except as is otherwise provided herein or by law or regulation. Employees may continue the coverage at their own expense to the extent permitted by law or regulation.
- 5.1.9 Employees are responsible for assuring completion of all forms and documents that will be provided by Central Office and/or the insurance carrier that are required for his/her participation in the above-described insurance programs. Such matters shall be excluded from the scope of the grievance procedure, except the Board's failure to remit contractual premium amounts required of it, unless the failure to remit contractual premium amounts is pursuant to Public Act 54 of 2011 or the requirements of this Article.

Those employees opting to take cash-in-lieu shall not be eligible for Board paid health insurance contributions but must participate in all other insurance products chosen by the Federation at the Employee's sole expense if full unit participation is required by the insurance carrier. An Employee shall be eligible for Board paid insurance contributions or cash-in-lieu up to the maximum amounts allowed in this Article if the Employee is employed on a full-time basis as defined by the PPACA or its replacement Act currently, working an average of thirty [30] hours or more per week in the District.
