

Google Certified Educator Level 2 Training 2-day Bootcamp

If you are a super user and lover of all things G Suite for Education, then plan on attending the Google Certified Educator Level 2 boot camp. In this 2-day workshop, plan to go beyond the basics and learn how to integrate G Suite for Education tools at a deeper level. Participants will learn how to integrate these tools on a daily basis to create a 21st Century learning environment.

Bootcamp participants will:

- Attend 2 days of training with a Google Certified Trainer
- Learn about the Google Certified Educator Level 2 test and its requirements
- Dig deeper into the G Suite for Education toolbox and learn how to effectively implement these tools to maximize teaching and learning within their educational environment
