A word from Dr. McLain

The fall edition of the TEKS Resource System newsletter was released this week, and one item from there was the explanation of all of the progress monitoring that is available within the "System".

I specifically want to remind you about the possibilities of Performance Assessments and Tasks. They are designed to provide students with an opportunity to demonstrate learning and understanding

by producing an authentic product.

On Monday, a group of 26 kids traveled to the San Antonio Food Bank. It was an amazing group of kids which included 8 MHMS 8th graders. The students along with chaperones bagged about 950 bags of food for families in need. That was over 14,000 pounds of food. Thank you to everyone supporting this effort.

Unity Day for Anti-Bullying was this past Wednesday. MHMS wore lots of orange to celebrate the day.
