

# Google Certified Educator Level I Training 2-day Bootcamp

*If you are an educator who knows some of the strategies for integrating Google in your classroom but who wants to gain proficiency with using a variety of Google tools, then this Educator Level I Training may be for you!*

Prepare to increase your “Googlyness” with this 2-day bootcamp that will prepare participants for the Google Certified Educator Level I exam. Attendees will dig deep within the more well-known Google Apps such as Docs, Sheets, Slides, and Forms. They also will learn about the hidden gems of Google such as Groups, Add-ons, Chrome, YouTube, and more!

Bootcamp participants will:

- Attend both days of intense training with a certified Google trainer;
- Learn about the Level I test...review of test, availability, cost; and
- Gain knowledge and self-confidence as they navigate through the G Suite for Education toolbox.
