May 2023

Dear Parents/Guardians,

Registration for the 2023-2024 school year is now available online. Visit the district website for further information. We are opening registration early this year to provide ample time for families to register before our transition to QMLATIV this July. With early registration we have decided to give a 10% discount on all **paid registrations** before the end of this school year (June 7th, 2023). To make the process easier we will be utilizing a new software that helps with providing proof residency for current families as well as quickly identify residency discrepancies. Families that we need further residency documents from will receive a phone call and email from the district asking for residency information.
