KINDERGARTEN
SUPPLY LIST 2023-2024

We are trying to limit the amount of supplies your child will need to bring to school this fall. They will need to replenish supplies later in the year. You may want to purchase all materials now while they are on sale and store them at home until after winter break. Individual notes will be sent home if your child runs out of supplies before winter break.

*** Please write your child's name on all starred items below.***
