

Welcome to **Shabbona Glows**

We have a bright evening ahead of us! We will be looking for glowing messages in our read alouds and completing some radiant literacy activities. All of which will help your child beam and gleam in their learning!

Schedule of Events:

5:00-5:25: Book fair and Bourbonnais Library information table in the gym.

5:30-5:40: Head to your child's cubby to get their supply bag.

5:45-6:00: Station 1

6:05-6:20: Station 2

6:25-6:40: Station 3

6:40-7:00: Exit through the gym. Pick up your snack and stop by the book fair.

Please start with your child's homeroom teacher for station 1. You may move throughout the rest of the stations as you wish. Each grade level will read the same book and do the same activity, so visit each grade level for a truly glowing experience!
