CMMS Shoe Drive

Christa McAuliffe Middle School has just wrapped up a 3 month shoe drive fundraiser. Starting back at school registration in August, CMMS started collecting gently worn, or new, shoes. These were to be shoes that you would borrow to your best friend. This was all done to help benefit both CMMS and residents in underdeveloped or impoverished countries. The shoes will be cleaned up and shipped to these countries where residents will be taught how to create their own business in reselling these shoes. "Teach a man to fish...." is the goal behind this endeavor.

The CMMS students, with the help of Hopevale Church and New Life Missionary Church, collected over 1,900 pairs of sneakers, sandals, dress shoes, boots and cleats. The churches allowed CMMS to put collection boxes at their services. We appreciate the help of our neighbors.

The CMMS Lighthouse team was helpful in counting and banding the shoes together. Each pair of shoes had to be tied or banded and then 25 pairs had to be put in each bag. The goal was 100 bags, or 2,500 pairs of shoes. CMMS collected 79 bags, or 1,950 pairs. For their efforts, CMMS will be receiving approximately \$600 from the funds2org group and Hopevale Church has generously donated \$300 toward the goal of \$1,000

A great effort was put forth by all the students and staff, including a classroom challenge that had Ms. Gradowski's class, Mrs. Windiate's class and Mrs. Goodnight's class winning pizza parties for collecting the most shoes. Way to go, Bobcats!

Field Trips

Johnson's Pumpkin Farm field trip with Mr. Jurek's JGHS Science Classes

The third annual trip to Johnson's Pumpkin Farm was full of fall fun as students from JGHS and BTVS were able to enjoy some autumn decorations, fresh doughnuts and cider, and even feed some farm animals before leaving with their very own Michigan grown pumpkins just in time for Halloween.

Canopy Walk at Whiting Forrest and Dow Gardens

For the first time, BTVS traveled to Dow Gardens and Whiting Forrest in Midland. Although it was snow covered, students enjoyed the scenery and the new canopy walk 40 feet up. "It was fun and interesting and I learned quite a bit, but it was really cold" said freshman Marissa Raymond. Thus, we learned that this trip would be better suited for a spring time bloom with much warmer weather for the future.

River of Time field trip at Bay City's Veteran's Memorial Park

At the second annual trip to the Bay City River of Time, BTVS students learned about the difficulty of life in various eras in American History, knowledge from reenactors for many American Wars, and enjoyed treats such as fresh kettle corn and root beer. "I learned a lot about history. They had a lot of historic items, like a really cool wood burning stove. I loved the little shops with all of the historical items to buy," said junior BTVS student Ciara Scott.

Birthday Celebrations

The first ever BTVS Monthly Birthday Gathering was all about cake, singing, & taking time to celebrate each other! Happy Birthday October Babies! [#btvs1](#) [#bobcatnation](#)

September Student of the Month Isabel Iseler

Congratulations to our September Student of the Month, Isabel Iseler! Isabel has shown incredible leadership in our event committee while performing exceptionally in her academics. We are very proud to have Isabel as a member of the Bobcat Family. Here is what Isabel said about joining BTVS, "what I like the best about virtual school is that I can work at my own pace and get ahead. I also really enjoy that there is still a drop in center, clubs and other social events were I can get to know the other students."

October Student of the Month Leah Torrey

Congratulations to our October Student of the Month, Senior Leah Torrey! Leah has been an inspiration to our younger students through her leadership and dedication to her academics. She has even found time to be part of our event committee and video club. Leah had this to say, "I've come to love and enjoy most, if not all, of my years spent here at BTVS. I really enjoy the fact that I can take classes I was not able to take at John Glenn, like criminology and sign language for instance."

Mamma Mia

Mamma Mia was another incredible production! The students were amazing. Congratulation to students, staff and parents for all your hard work.

Bus Safety

It was another successful year in teaching our students how to be safe in and around the School Bus! This year 2 students from each grade at all three elementary schools were chosen for Bus Safety t-shirts. The students had to show that they were paying attention during the presentations and show exemplary behavior. The students and teachers that participated did an awesome job and Transportation cannot thank them enough for letting this be possible. This year we were excited to share our presentation time with Bay County Deputy Dzurka and Deputy Huber. This year's Bus Safety Committee, is Ms. Kiersten, Mr. Bryan, Ms. Heather and Ms. Sadie.

Fall Sports

Girls Golf – State Finalist Sally Pudvan

October 19th and 20th Forest Akers East Course

We'd like to congratulate Sally Pudvan on making it to the State Finals. There have only been 3 female state qualifiers in John Glenn history, with Lisa Fleming being the last one in 1999. Sally shot a 108 on day 1 and a 104 on day 2. Both days showed Sally's mettle. The weather did not cooperate on both days which saw her playing in 20 - 30 mph winds, rain, and hail! We couldn't be prouder of her representing the #BobcatNation!!

Special Person's Day at Bangor North

Written By: Stacey Albaugh

On November 20th students at Bangor North Preschool celebrated Special Person's Day. Students brought a parent, grandparent, aunt or uncle and special family friends. This was an exciting event for preschoolers to share part of their day with their special person.

Each student enjoyed breakfast with their special person and had fun taking pictures at the photo area that Miss Nicole's room created. Each classroom included different activities for their students. Some classrooms counted turkey feathers and made placemats for their Thanksgiving at home. Other classrooms made a handprint craft and answered a questionnaire about their special person. Another classroom completed different crafts and students created Turkey Stew.

Overall, everyone had a great time at our event and it is something that we hope to continue in the future at Bangor North.

Food Drive

Since the beginning of the school year, Bangor Central has been committed to the Positivity Project idea that Other People Matter and the proof was in the food!!! Central Elementary Student Senate members hosted a food drive in November. Students from all grades spent two weeks donating nonperishable food items. The students of Bangor Central donated over 1,500 items and filled 50 boxes of food to be donated to local shelters and food banks. Hidden Harvest picked up the food and were so thrilled with how well the students did, they took a photo for their home page. Thank you to the students, families, and staff of Bangor Central that helped make the holiday season a little bit brighter for those in need.

New This Year

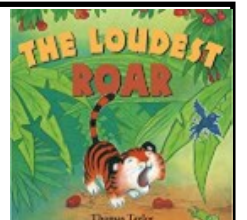

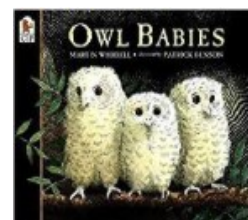

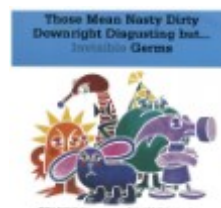

This year Bangor Central has implemented The Positivity Project to empower our students to build positive relationships and to understand, appreciate, and exemplify the character strengths in us all. Along with that, we have also adopted the motto, #otherpeoplematter. One of our service projects was to raise money for Pennies for Patients. The money raised will be donated to support The Leukemia & Lymphoma Society's (LLS) mission to cure blood cancers and improve the lives of patients and their families. Our staff, students, and families helped raise \$1,004.15!!! We are so proud to help such a great cause.

Paws on the Path

Another successful "Paws on the Path" fundraiser. Bangor West students were challenged to complete health, safety and fitness activities to raise money for the school. Our students accepted the challenge and raised close to \$7,000.

Our fitness challenge took place on Friday, September 28th. Students spent the afternoon running a fitness obstacle course, walking or running laps on the school track, participating in fitness drills, learning new dance moves, participating in fit camp activities, learning new safety techniques, and making a healthy snack choice.

The money collected will go towards many school activities including new technology for students, field day, family fun nights, student prizes, assemblies, updates to the playground equipment and much more.

We want to send an extra thank you to the following groups that ran an activity and to all the parents that volunteered their time:

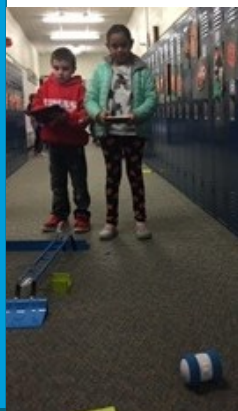

Safety Zone with Local Law Enforcement & First Responders
Bobcat Fit Learning with Dohyun Hapkido
Hip Hop Dance with Miss Lore's Dance Studio

Obstacle Course with Mr. Darbee
Healthy Snack & Safety Techniques
Walking Path & Drills with John Glenn Student Athlete Leaders

Veterans Honored

Bangor West Celebrates Veterans

On Friday, November 9th, the staff and students at Bangor West honored over forty special service men and women. Students expressed their gratitude by decorating the school and entertaining the veterans with patriotic songs, poems, and reflections. The assembly was kicked off with the singing of the national anthem by Mr. Pfenninger's daughter Kinsley. Those in attendance were given a patriotic keepsake and had the opportunity to sample some refreshments after the assembly. Bangor West was honored to host these special family members and friends because their dedication to our country is greatly appreciated. It was a memorable afternoon for our guests and students.

John Glenn's Veteran Assembly 2018

On Friday, November 9th, Mr. McPeak's Current Events class once again welcomed United States Armed Services Veterans to John Glenn High School for a celebration of their service and sacrifice. The students designed t-shirts that were sold prior to the event and they were able to raise over \$1800 for the VA Hospital in Saginaw. The students participated in spirit days to get ready for the big assembly that took place in the afternoon on Friday. This year close to 60 Veterans and family members were present for the festivities which included incredible performances by the JGHS Choir and Band. Students were also selected to read letters and poems they wrote and the assembly closed with a video containing student artwork. It was another fantastic event organized by the kids and we were so grateful to all the men and women who came and let us show our appreciation for their incredible sacrifice.
