The Chattahoochee County School System is pleased to announce two recent acknowledgements from the Governor's Office of Student Achievement (GOSA). On Wednesday, December 5, 2018, Chattahoochee County High School was named a 2018 Single Statewide Accountability System (SSAS) Award Schools Greatest Gains winner. SSAS awards are given to schools with high academic growth. GOSA used College and Career Ready Performance Index (CCRPI) data from the three most recent school years to determine SSAS awards. The award category has four tiers: Platinum, Gold, Silver, and Bronze. Chattahoochee County High School was awarded Gold status for Greatest Gains.

On Friday, December 7, 2018, Chattahoochee County Education Center, Chattahoochee County Middle School and Chattahoochee High School were all named to GOSA's "Beating the Odds" list. "Beating the Odds" is a statistical analysis that compares a school's actual performance on the College and Career Ready Performance Index (CCRPI) with the performance of schools with similar characteristics across the state. Schools that perform higher than similar schools are considered "Beating the Odds."

We are extremely proud of the hard work and dedication of our students, teachers, and staff. The Cusseta-Chattahoochee County community and Ft. Benning community have established a standard of high expectations and accountability for our schools. Everyone in the school system has stepped up to meet the challenge. We are very proud!
