CANDOR CENTRAL COMMUNICATIONS

Candor Schools-Shaping Our Future

FEBRUARY 2023 **www.candorcs.org**

District Mission Statement

The mission of the Candor Central School Community is to challenge students to become responsible, knowledgeable, contributing citizens within a caring environment where lifelong learning is valued and differences are accepted.

More information will be presented at two community forums, March 7th at 6:30 p.m. and March 16th at 6:00 p.m., in the High School Auditorium Please join us!

2023 CAPITAL PROJECT VOTE

Tuesday, March 21st, 2023

12:00 p.m. - 9:00 p.m.

High School Auditorium

SCOPE OF WORK

- Roof Replacement at the Jr/Sr High and Elementary Schools
- Mechanical Unit Ventilator and Valve Replacements
- Running Track Reconstruction
- Crawlspace Asbestos Abatement
- Emergency Generator for the Bus Garage
- Door Replacements
- Auditorium Entrance Upgrades
- Athletic Field Drainage and Fencing Improvements

NO ADDITIONAL TAX IMPACT

IMPORTANT DATES TO REMEMBER

Winter Recess:	February 20-24
Community Forum - Capital Project:	March 7
Community Forum - Capital Project:	March 16
Superintendent's Conference Day:	March 17
2023 Capital Project Vote:	March 21
Spring Break:	April 10-14
2023-2024 Budget Hearing:	May 9
2023-2024 Budget Vote & Elections:	May 16
Memorial Day:	May 29

A Message from the Superintendent...

Dear Candor School District Families,

I am pleased to announce that the Board of Education has authorized a **public vote** on **Tuesday, March 21, 2023** for a **Capital Improvement Project** which will have **ZERO ADDITIONAL TAX IMPACT** on local taxpayers!

Over the past several months, the Candor Central School District conducted an extensive review of the condition of our buildings. A Facilities Committee comprised of community members, faculty, staff, Board of Education members and school administrators was established to help prioritize the areas needing the most immediate attention. Our committee toured all areas of our campus with a focus on the safety and instructional needs of our school community. With stakeholder representation from across our entire community, we propose a $10 million Capital Project that will maintain our facilities and improve the educational experience for everyone in the Candor CSD community with **no additional tax impact**.

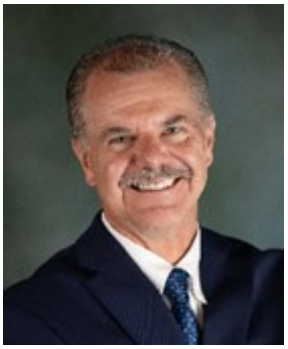
It is important during this time to make the best use of State aid and our available capital reserves to complete this high-priority work without adding to the local tax burden. The work proposed in this project is necessary to maintain our beautiful campus and support our students in their educational programs as well as the athletic program.

In the future, we will look to State aid, replenished capital reserve funds and additional funding sources to expand and improve our programs. We know there are several different pathways to success. To be a high performing rural school district that delivers educational excellence, we will need the appropriate physical framework in place to support all of our instructional programs. Future projects will support both new and existing programs and opportunities for students, while maintaining our fiscal responsibility to our community.

I will be happy to answer questions at the 2023 Capital Project public presentations on March 7th at 6:30 p.m. or March 16th at 6:00 p.m. If you are unable to attend either of these meetings, you can call me at (607)659-5010 or email me at bsuddaby@candorcs.org. Please remember to cast your vote on March 21st at the High School Auditorium from noon-9 p.m.

Respectfully,

Brent Suddaby
Superintendent of Schools



Brent Suddaby
Superintendent of Schools

Are You Interested in Becoming A School Board Member?

The terms for two of our present school board members will expire on June 30, 2023. If you are interested in becoming a school board member, you must be a qualified voter of the district (at least 18 years of age and a citizen of the United States), a resident of the Candor School District for a continuous and uninterrupted period of at least one year, and submit a petition which contains at least 25 signatures from other district residents.

Petitions will be available in the District Office at 1 Academy Street, starting on Monday, March 20, 2023. The petitions must be returned to the District Clerk no later than Monday, April 17, 2023 at 4:00 p.m.

Please feel free to contact Kathy Hinkle, District Clerk, by phone at (607)659-3178 or by email at KHinkle@candorcs.org, if you have any questions.

EXAMINATION INFORMATION FROM THE SCHOOL NURSES

Effective July 1, 2018, the mandated years for health exams and screenings changed. In addition, only the approved NYS School Health Examination Form may be used to document health exams.

- Health examinations are required in grades Pre-K, Kindergarten, 1st, 3rd, 5th, 7th, 9th, and 11th.
- Vision screenings are required within 6 months of admission to school for grades Kindergarten, 1st, 3rd, 5th, 7th, 9th, and 11th.
- Hearing screenings are required within 6 months of admission to school for grades Kindergarten, 1st, 3rd, 5th, 7th, 9th, and 11th.
- Scoliosis screenings are required for grades 5th and 7th grade for girls, and 9th grade for boys.

Letters will be sent home by the first week of March to families of Elementary students who do not have current physical, hearing, vision or scoliosis screens on file. Please send in any documentation if you have not already done so. All remaining students will be screened at an upcoming date (TBD).

If you have any questions, please contact the school nurse's office.

Elementary School: (607) 659-4965
High School: (607) 659-5225

NYSED Procedural Safeguard Notice

The ***NYSED Procedural Safeguard Notice*** is a mandated document which outlines "your legal rights under federal and state laws to be informed about and involved in the special education process and to make sure that your child receives a free appropriate public education (FAPE)". The current document is 46 pages long, and must be provided to the parents of Special Education students each year.

The document is available on the school website under the "Departments→Special Education→Resources" tab.

(DIRECT LINK: https://core-docs.s3.amazonaws.com/documents/asset/uploaded_file/1829995/NYSED_Procedural_Safeguards_Notice_-_July_2017.pdf

If you would prefer to receive a hard copy, you can contact the Special Education Office at (607)659-7727 or the District Office at (607)659-5010.

Attention Private School Parents:

Please remember that applications for transportation to private schools for the 2023-2024 school year are due to the District Office by April 1, 2023.

Contact the CCSD Transportation Office by calling (607)659-3115, or emailing transportation@candorcs.org, if you have any questions. Thank you.

Note: CCSD is only required to provide transportation up to 15 miles from the residence to the school the child legally attends in accordance to NYS Education Law §3635.

https://www.p12.nysed.gov/schoolbus/education_law/html/Education_Law_3635-1e.html

TRANSPORTATION DEPARTMENT

Drivers and Aides Needed - NOW HIRING
The transportation department is still hiring. If you are interested in becoming a part of our team, now is the time. Please stop by the Transportation Department or call 607-659-3115. No prior experience is needed. Paid training available.

Student Absences
If your student is going to be absent, please email transporation@candorcs.org.

Bus Changes
Just a reminder, we are not allowing students to ride other buses due to sleepovers, birthday parties, etc. Due to our driver shortage, many of our buses are running at capacity, so this is just not possible. If there is an emergency or extenuating circumstances, please contact the transportation department to work out a plan.

Shout out to our Mechanic
Rob Truss has been with Candor Central School District since July 2019. Rob currently independently services and maintains our entire fleet, including 20 school buses, minivans, plow trucks, tractors, lawnmowers, and maintenance vehicles. On top of his daily duties, he plows, shovels, helps out with driver shortages, and much more. Rob is known for his immaculate shop and charismatic personality. You will not often find a tool out of place or a mess on the floor. There is no job that is too tough or a kerfuffle too stressful. We are very appreciative to have him as part of our team!

Katie Anderson
Transportation Supervisor

Athletics Department

Hello Candor Families,

THANK YOU!: It is my absolute pleasure to serve as the Athletic Director for the Candor School District. While I am nearing a year in this position, it has been such a blessing to be at the games, supporting the players, teams, coaches, and families. We have such great student-athletes and coaches, and I have thoroughly enjoyed working with and supporting each and every one.

GOALS: I have several goals that I am working toward in this role, and all are equally important. First and foremost, student-athletes are students before they are athletes and need to be successful in the classroom, both academically and behaviorally, to be able to participate in their respective sport. This year we adopted a policy that both Candor and SVE teams are following to ensure academic success. Ultimately it is the students responsibility to ensure they are doing what they need to in the classroom. When they are successful in the classroom, they are able to be successful on the field or court.

SPORTSMANSHIP: Sportsmanship has been a big topic this year across the state. There have been a lot of unfavorable actions and behaviors from fans, players, and coaches both on and off the field, and Section IV has discussed banning spectators for a period of time if necessary. While no one wants this to happen, all districts are taking a hard stance to encourage positive behavior by all and respect for everyone at the event. I have been pleased overall with our Candor community as we all continue to do our best to display respect, maintain a positive attitude, model good sportsmanship, and demonstrate discipline in our behavior.

OFFICIALS: Along the same lines of sportsmanship, we are in dire need of officials. One of the reasons for fewer officials is because of how they have been treated in the past. Again, in the past. While we all push for positive sportsmanship, we hope that more sports fans will sign up to be an official. Without officials, we have no games. For anyone who may be interested, I have included the link (https://highschoolofficials.com/) for starting the application process for officiating high school contests.

FITNESS ROOM: As reported last year, we have updated many pieces of equipment in our fitness room to better support our athletes, our PE classes, and our community. If you are interested in learning more about the equipment or would like tips or techniques to support a workout plan, please reach out to our strength and conditioning coach, Jessy, at jwilliams@candorcs.org.

WINTER: It is hard to believe that the winter season is nearing the end, but I am incredibly proud of the teams and the fans in the stands. I have had the privilege of watching nearly every home game/match for Modified, JV, and Varsity, and I am so proud of the work that our student-athletes put forth to be successful. Thank you to each athlete and to the coaches for their guidance and love for the game.

SPRING: As spring sports begin in March, please remember that spring sign-ups will officially take place 30 days prior to the start of the season. The official start date is March 14 for Varsity and JV sports, so family ID will open on 2/14. PLEASE make sure if your student attends CANDOR, you sign up on CANDOR's page, even if we are merged with SVE. With Spring comes lots of different weather; it is critical to remain up to date on the changes that occur due to weather postponements. Remember that up-to-the-minute schedules can be found at: www.schedulegalaxy.com

MASCOT: As you may have heard, we are in the process of changing our mascot per NYS mandate. We are forming a committee of which will meet monthly for the rest of the school year in hopes of coming to a consensus by June so we can start transitioning to our new mascot as we are able.

Wishing each of you a great rest of the winter season.

Stay safe,

Holly Carling, Athletic Director

A Message from the Jr/Sr High School Principal...

As we proceed into the second half of the 2022-23 school year, we continue to see improvement in the overall effort of the student body in completing assigned work in a timely manner. Not only does this allow them to attend and participate in extracurricular activities, but it is a life skill that is essential for success in college and future careers. I would like to thank all of the parents and guardians who continue to routinely encourage and support their child's academic efforts.

During the months of February and March, students will be selecting courses for the 2023-2024 school year with their guidance counselor. There are many required courses that students must take, but there are also many electives that students can choose from based on their individual goals and interests. I would recommend reviewing the Course Selection Guide with your child and exploring the many options available to them. You can find the Course Selection Guide under the Guidance and Counseling tab on the school website. You can also contact Student Services with any questions you may have regarding course offerings.

I would like to share some information regarding the NYS Board of Regents' initiative to advance dignity, equity and inclusion (DEI) in schools across New York State. The DEI initiative is being implemented to provide a safe, nurturing and engaging learning environment for ALL students in schools across New York State. As I share this, I think it is important to clarify what DEI isn't. DEI isn't an initiative established by the SED to proselytize students into thinking or believing a certain way. I believe this is a misunderstanding held by some people regarding DEI efforts in the past. At Candor, it has always been our philosophy to make CCSD a safe, caring, respectful & responsible school community for all students, so this initiative will be a continuation of the development of practices that already exist in the district.

Regards,

Wayne Aman
Candor Jr-Sr High School Principal

NYS Board of Regents Initiative on Diversity, Equity & Inclusion

New York State EDUCATION DEPARTMENT
Knowledge › Skill › Opportunity

We will create and sustain safe, nurturing and engaging learning environments for **ALL** students.

"Diversity is not our problem. It is our promise."
-- Elijah Cummings

WELCOMED AND SUPPORTED

- Diversity means a wide range of human qualities and attributes
- Diversity is an educational and social asset for ALL
- Respecting diversity helps us meet the physical, social and emotional needs of ALL

"Always remember that you are absolutely unique. Just like everyone else."
-- Margaret Mead

OPPORTUNITIES TO SUCCEED

- Equity means fair treatment and opportunity for ALL
- Equity is fair access to programs, classes and needed supports
- Equity prepares ALL students to be actively engaged citizens

"There is only one way to see things, until someone shows us how to look at them with different eyes."
-- Pablo Picasso

CULTURES, LANGUAGES AND EXPERIENCES

- Inclusion means recognizing, understanding and accepting ALL
- Inclusion teaches and models respect for ALL
- Inclusion makes ALL feel safe, supported and valued

"Diversity is being invited to the dance. Inclusion is being asked to dance. Equity is allowing you to choose the music." -- Cynthia Olmedo

A Message from the Elementary School Principal...

Dear Parents, Families and Community Members,

I hope everyone has had a great start to 2023!
During January and early February our students in Kindergarten through 6th grade will be taking the mid-year iReady Diagnostic in Reading and Math. These diagnostic assessments identify which students are experiencing difficulties with specific skills, providing real-time, actionable data and reports to guide teachers in effective intervention planning. As of the writing of this newsletter the students have completed the Reading Diagnostic, with the Math Diagnostic yet to be completed. In reading, our students increased from 24% proficiency rate in September, to 42% proficiency rate in January. This growth is attributed to many things such as aligned curriculums in Kindergarten-6th grade, student's having conversations with their teachers about their own data, all certified teachers & support staff playing an integral role in meeting student's needs during intervention time and a shared vision of a high quality intervention block. Most importantly, teachers are utilizing the Multi-Tiered System of Support (MTSS) Model to meet students' needs. MTSS is simply an intentional data-based problem solving and decision-making process designed to meet students where they are at academically and social-emotionally.
Starting in a few short days, the elementary school will be using call/text notifications for students who are absent with unexcused absences. Regular attendance at school and being on time for classes is a habit which should be established early. The Education Law of Ne*w York State considers the following a* ***legal excused absence from school:***

- Personal Illness or Injury
- Medical or Mental Health Appointments
- Religious Observances
- Educationally-Related Activities
- Impassable Roads or Natural Calamities
- Death in Family, Court or Legal Hearings

Additionally, please notify the school by telephone or note if your child is to be absent for longer than two days. When returning to school after an absence or tardiness, all children must furnish an excuse signed by the parent stating the reason for the absence. If a child needs to be excused from school, parents should provide written notification ahead of time. If your child is absent from school, they may not attend any District sponsored event outside of the regular school day.
We remain focused on strengthening literacy instruction, using data to drive our instruction and maintaining a safe and supportive environment, while supporting a positive culture. These goals correlate directly to student success which we are extremely excited about and are seeing evidence of. Thank you for your support throughout the first half of this year, I am excited to see what the second half brings!

Respectfully,
Peter Ahart
Elementary Principal

Pre-K Registration for 2023-2024

- If your child turns four (4) on or before December 1, 2023, and lives within the Candor Central School District boundaries, they are eligible to start Pre-Kindergarten in September 2023. ***Children who are eligible to attend Kindergarten in September 2023 will not be considered for the program.***
- The District will provide transportation once your child turns four (4) years old.
- New York State immunization and physical requirements must be met. Specific information will be included in the registration packet.
- Our Pre-K program will be full school days and follow the Candor Central School District calendar for 2023-2024.

If you would like to have your child added to our Pre-K list, please contact Jackie Winnick in the Elementary School office at (607)659-3935, or email Jackie at jwinnick@candorcs.org.

Kindergarten Registration for 2023-2024

- Children who have reached their 5th birthday on or before December 1, 2023, and live within the Candor Central School District, are eligible for Kindergarten in September 2023. ***If your child is currently in the Pre-K program at Candor Elementary School, you DO NOT need to register them for Kindergarten.***

- Parents/Guardians of children listed in the current database will receive information regarding registration during the month of March 2023. For those families who are new to the district, or if you are not sure your child is in the current database, please contact Jackie Winnick in the Elementary office at (607)659-3935 or email Jackie at jwinnick@candorcs.org.

- Parents/Guardians are required to provide proof of age (birth certificate), two (2) proofs of residency, any court documents pertaining to the child (order of protection, law guardian, custody arrangements, etc.), proof of New York State immunization requirements and physical requirements for Kindergarten.

If you have any questions, please feel free to contact the Elementary School office at (607)659-3935 or the Elementary nurse at (607)659-4965 for any medical or immunization and physical requirements.

Candor Elementary School and the Candor Parent Teacher Student Association (PTSA) appreciates your support of the Scholastic Book Fair. Thanks to you, proceeds will be used to buy a book for every child in the elementary school. Books will be gifted in January/February.

Candor PTSA
everychild. onevoice.®

HIGH SCHOOL CHORUS NEWS

This fall, Sara Garrard was selected to participate in this year's Junior High Area All -State Festival in the Mixed Chorus. In the Spring of 2022, Miss Garrard prepared and performed a NYSSMA solo and received an outstanding score. With this score, she applied and was accepted into the honors ensemble. Sara performed with top singers from Binghamton to Syracuse on November 4th and 5th, 2022, at Fayetteville-Manlius High School. Congratulations Sara!!!

Pictured:
Eric Williamson (Mixed Chorus honors conductor), Sara Garrard, and Taylor Masters

NHS NEWS

The Selection Process for future members began in January, and will be completed by the end of February, 2023. It will culminate with the Induction Ceremony March 9, 2023, at 6:30pm in the high school auditorium. Students in grades 10 – 12 are eligible to apply if their overall GPA is at least an 87%. Eligible students received a letter and application from Ms. Westervelt prior to the holiday break. If the student chose to do so, they submitted their application to be further evaluated on the three additional criteria of leadership, character, and service. The selection process uses a uniform point system, guided by a very specific rubric. The use of an objective and fair system for selection is our highest priority. All students who are selected for induction, will be notified through a letter sent to them via the USPS mail.

The National Honor Society continues to offer enrichment activities to the sixth grade students at the end of their school day. Members have selected an activity that they are interested and knowledgeable in, that they can teach. We are very excited about this opportunity to teach things like how to make origami and friendship bracelets, and how to be an improvisational actor.

Career and Technical School Student of the Month

CAREER&TECH CENTER

October 2022:

Ty Evans - Auto Technology (AM)
Cassandra Howe - Heavy Equipment (PM)

December 2022:

Miranda Langendoefer - Nurse Assisting and Health Occupations (AM)
Zach Spada - Career Exploration Program (PM)
Brayden Tuttle - Food Services (PM)
Noah Burlew - Outdoor Recreation (PM)

Criteria for Student of the Month:

*Exemplary behavior resulting in a flawless behavior record for the month.
*Present and on time and prepared for class every day of the month.
*Respectful, kind, generous, and cooperative with peers and adults.
*Eager and motivated to learn.
*Exhibits exceptional contribution to class or academic improvement in class.
*Demonstrates a positive and helpful attitude towards fellow students.
*All assigned work is complete for the month.

Student Services

SCHEDULING CLASSES FOR 2023-2024:

Students will meet with their counselors in February and March to begin discussing course options for next year. Please see "Tips for Scheduling" below. If you have any questions about graduation requirements, please contact your child's School Counselor

Eva Collier:	ecollier@candorcs.org	Grades 5th-8th Counselor
Jason Banks:	jbanks@candorcs.org	Grades 9th-12th Counselor
Leslie Thomas:	lthomas@candorcs.org	Student Services Secretary

Student Services Office: (607) 659-3195

College Bound

TIPS FOR SCHEDULING FOR COLLEGE-BOUND STUDENTS:

If you take challenging courses:

- It shows colleges that you are more likely to be able to do college work.
- You will probably score higher on the SAT and/or ACT.
- You will be less likely to need remedial courses in college.
- You will have more options for college and a career.

If you participate in extracurricular activities:

- You will be more likely to be considered for a scholarship.
- You have something more than GPA and test scores to show colleges.
- You will have the opportunity to develop leadership skills.

Also, it is important to keep a record of the activities you've participated in, your responsibilities, awards, and achievements. Your child's Guidance Counselor has a form called the "Student Data Sheet," where your child can record all of the things he/she has accomplished and is proud of. This sheet becomes very useful when it's time for Counselors to write letters of recommendation for college during senior year!

Student Services

SENIOR INFORMATION:

CLASS OF 2023

Seniors should be well into the college application process. Many students have already received acceptance letters!

Now is the time to be completing the FAFSA (Free Application for Federal Student Aid) Form. Online applications can be found at www.fafsa.ed.gov. Please keep in mind that the financial aid application is **free**. If you have questions or need additional help, please contact Mr. Banks.

JUNIOR INFORMATION:

CLASS OF 2024

It's not too early to be thinking about post-graduation plans, especially if your plans include college. Now is a perfect time to begin looking at colleges. You could even begin scheduling college visits. A couple of useful college search websites include www.collegeboard.org and http://nces.ed.gov/collegenavigator/. For students who want more information about careers, the www.mynextmove.org student section provides a wealth of information for students, including interest and skills assessments along with specific career information. If students or parents need help navigating the college and/or career search process, feel free to contact Mr. Banks in student services.

Juniors should be thinking about if they are going to take the SAT this spring. The college board has partnered with the Khan Academy at www.khanacademy.org to provide free practice tests and a study guide for the SAT. Students can register for the SAT on the college board website at www.collegeboard.org.

SOPHOMORE INFORMATION:

CLASS OF 2025

TST BOCES will be visiting Candor on February 16th to give the overview of the Career Tech programs for sophomores. Mr. Banks will also be going over these options during individual course selection meetings. If you have any specific questions about the career technical programs at TST BOCES, you can find more information at https://www.tstboces.org/page/cte-overview.

Technology Education Department News

Students in Mr. Lindridge's classes will have the amazing opportunity to work with schools in Alabama, Illinois, Arizona, and Mississippi as they change the lives of others in Latin America. Mr. Lindridge received a $9,532.40 grant from Harbor Freight Tools for Schools to help make prosthetic legs that will be given to amputees in developing countries. Mr. Lindridge first heard of Brian Copes' program when he met Brian at the Harbor Freight Tools for Schools, Let's Build It conference held in Keystone, Colorado, in the summer of 2022. Brian was looking for other schools to help him fulfill a dream he has of fitting 100 legs to amputees in developing countries during this academic school year.

The grant will be used to purchase materials and tooling so that the students involved with the project can make the required parts. Several students will be invited to join Mr. Lindridge and Mr. Copes to fly to Latin America and fit the legs to the recipients. Students involved with the project will interface with other students from across the country to solve manufacturing issues, work with SolidWorks to solidify designs, use Mastercam to program CNC machines, and operate machine tools while developing professional and job-ready skills. This project will change the lives of Candor students as well as the ultimate recipients of prosthetic devices.

If you choose to learn more about the program, please go to https://skyyouth.org/life-changer-prosthetics and look under the Projects tab.
