

ADMINISTRATION IN POLICY ABSENCE

In emergencies, and in cases when action must be taken within the school system where the School Board has provided no guides for administrative action, the Superintendent shall exercise the full power and authority of the School Board.

The Superintendent's decisions, however, shall be subject to review by the School board at its next regular meeting or at a special meeting called for the purpose. It shall be the duty of the Superintendent to inform the School Board promptly of such action and of the need for policy.
