

PUBLIC REQUEST
FOR STUDENT PARTICIPATION

In order to serve the community more effectively, the School Committee has established the following policy regarding the public request for the participation of student(s) attending Sanford schools in a non-school activity.

1. All requests must be in writing.
2. All requests must be sent to the Superintendent of Schools or his/her designee.
3. All requests should state the organization to be represented at the activity and the reason for requesting student participation in that specific activity.
4. All requests should state if an honorarium will be provided and/or if the school(s) must expend money or supplies if they participate in the activity.
