

STAFF CONDUCT
(And Responsibilities)

All staff members have a responsibility to make themselves familiar with, and abide by, the laws of the State as these affect their work, the policies of the School Committee, administration regulations designed to implement them.

In the area of personal conduct, the School Committee desires that teachers and others conduct themselves in a manner that not only reflects credit to the school system, but that sets forth a model worthy of emulation by students.

All staff members shall be expected to carry out their assigned responsibilities conscientiously.
