Mrs. Jeannee' Neville,

Dear Parents,

With the holiday season upon us, we would like to remind you of our **Independent Study** procedures. If you will be going out of town for the holidays and your child will be missing **5 or more days of school**, we will need the following from you:

- 2 weeks notice so that the teacher can put together the necessary work.
- A signed contract by the parent and student. Please see Berta in the office for this information.

All work must be completed and turned in on time in order for your child to receive credit for the school work and attendance.

Parent Education Night

Palermo Union School District will be offering it's second Parent Education Night on **Wednesday December 12**. At Palermo Middle School in rm. 26. FAMILY MEAL TIME

You may have heard that it's important for families to eat dinner together, but other meals count too! If you work in the evenings, maybe you could make time for a family breakfast. On a weekend try a picnic lunch! Research shows that children who regularly eat meals with their families tend to do better in school & avoid risky behavior.
