It's a great year to be a Rocket! Welcome to our new students, families, and staff, and welcome back to our returning students, families, and staff! We are extremely excited to kick off the new school year!

As I mentioned in my introduction on the website, I am absolutely thrilled to begin my time serving Ridgedale as the superintendent! As a life-long resident of Marion, I know the tradition and values of the district, which is what drew me here. I have been in education for most of my life as I graduated from a local county school, attended Miami University for my undergraduate degrees, taught in both local county and city schools, and, most recently, earned my doctorate from Concordia University. I am blessed with four children and a husband of 25 years who have educated me in many, many other ways. All of my life experiences have instilled my belief that education occurs both inside and outside of the classroom, which leads me to digging into the mission of Ridgedale.

The mission of our district is as follows: Ridgedale Local Schools exists to empower youth to meet their fullest potential through individualized, student-focused education to best prepare them as productive citizens in the community. As educators, we believe in empowering our students and preparing them for the future. The foundation of this mission is based on four cornerstones, including academics, safety, finances, and community partnerships. These are the same themes we heard through the superintendent search process from all of our stakeholders. We will continue to make these cornerstones priorities for our students and our community. We will empower our students to become stronger and more confident in making and accomplishing their goals as they choose one or any combination of the three E's: enlistment in the military; employment in an area business; and/or enrollment in a two-year college, a four-year college, or additional certifications.

I cannot wait to meet all of our students and families, so if you see me out and about, be sure to take a moment to say hello! Please continue to check our website to see all of the great things happening in our district! And, as always, Go Rockets!

*Dr. Erika Bower*

**DON VOGT**  
Junior/Senior  
High School Principal

Welcome Back Jr./Sr. High School Students, Faculty, and Staff!

It's going to be a great school year, and I am very much looking forward to making acquaintances with all of our Ridgedale students, their families, the Rocket faculty and staff, and the community members of our district. It has been a smooth transition to my new position as your Jr./Sr. High School Principal, and it's my hope to continue with our improvement initiatives in striving to make Ridgedale the choice for education in our surrounding area.

We are welcoming some new staff members to the junior high and high school this year, and we are excited that they will become part of our Ridgedale family:

Brandon Friend - Junior High Science, Robotics, and Inventionland - Mr. Friend is coming to us from St. Mary's School in Marion where he also taught junior high science, social studies and health.

Nina Greer - Junior High English - Miss Greer is a 2022 graduate of Ohio Wesleyan University with a degree in English/Language Arts. She did her student teaching at Olentangy Berlin High School.

Jarriid McGuire - Junior High Math, English, and Social Studies - Mr. McGuire came to us from Grant Middle School in Marion where he taught both science and social studies.

Aaron Poling - Band/Choir - Mr. Poling is a recent graduate from Bowling Green State University where he participated in both the choral and instrumental music programs.

Jordan Scott - Intervention Specialist - Miss Scott is a 2022 graduate of Taylor University in Upland, Indiana, and she will be working diligently with our special education students.

Spanish - Our Spanish (and French) instruction will be hosted through an educational service operating out of Pennsylvania called World of Learning. This institute will provide our foreign language students with direct, face-to-face instruction via the Internet two times per week through Ohio-licensed instructors. These same instructors will also provide work for our students to be completed on the days where direct instruction doesn't take place. Our foreign language students will still be provided the opportunity to listen, write, and speak a foreign language, just as if they had a five-day-per-week, live teacher; now, it will happen via the Internet. I used this service last year when we couldn't locate a Spanish teacher, and World of Learning worked out very well for our students with a very good success rate.

Finally, I'm Mr. Vogt, and, as mentioned, I'm your new Jr./Sr. High School Principal. This will be my sixteenth year in administration having served previously as an athletic director, dean of students, assistant principal, middle school and high school principal. I have also taught for seventeen years as an English instructor (with a side trip in special education and health), and I've coached basketball since I've been in college back in 1988 but retired from it this past year. Originally from northwest Indiana, I've been in Ohio since 1996. My wife Chris and I have been married for 31 short years this past June, and we reside southwest of Bellevue, Ohio. We have two kids of whom we are very proud. Our daughter Kaelan is a musical theatre major living her dream in Hoboken, New Jersey, just across the river from Manhattan always auditioning and working in a local bistro to make ends meet. My son, Mykah, is a senior at Kent State University majoring in computer engineering and enjoying his last year of college life. He currently lives off-campus in Cuyahoga Falls.

I'm very much looking forward to serving the students and people here at Ridgedale, and I'm also very much looking forward to a spectacular 2022 - 2023. Here's to an amazing year for all of us!

PARTHEMORE, ED.S**  
Ridgedale Elementary  
Principal

Dear Families,

Welcome back! We have been busy planning and making preparations to welcome your students back this fall! I hope you have each had time to enjoy your summer and are looking forward to our year ahead—as well as engaging in some of the challenges I issued to the students on the last day of school (read every day, work hard, and have fun).

Please help us in welcoming Mrs. Lorri Ross (5th grade) and Miss Alyssa Rankin (3rd grade) to our Ridgedale Elementary family. We are excited to have them in our building and working with our students.

This year we will be working on continuing to improve our literacy and math instruction for students. Staff will be working through professional development, planning, and implementing new programs and practices. We are excited for the work that they are doing and what that will look like in the classroom with our students and families.

We look forward to sharing more information about new goals, programs, initiatives, as well as the exciting experiences that our students are taking part in throughout the year with you throughout the year through our monthly newsletter that is emailed home—please make sure your email information is correct in FinalForms so you are able to receive this each month!

Please do not hesitate to contact me if you have any questions as we move throughout this year. We look forward to working with you to help your child grow!

Sincerely,

*Jessica L. Parthemore*

## DISMISSAL/PICK UP INFO

In an effort to maintain safety for all students that are being dismissed from school, please follow the map and the following dismissal procedures.

All families picking up a student (Elementary/Junior High/High School) please enter at the south drive to the campus, as indicated on the map. Please drive to the appropriate pick up location for your student/s. Elementary students will be dismissed from the old computer lab doors behind the building, while JH/HS students will be dismissed from the lower level gym doors. If you have a student in each, please pick up at elementary first and then proceed to the JH/HS pick up location. Please form two lines behind the elementary school to help aid in dismissal.

Elementary families will be able to pick up their dismissal car numbers at Open House on August 22nd from their homeroom teacher.

We ask that you wait for the vehicle/s in front of you to move before proceeding down the hill and to the exit, and to please proceed with caution to ensure for the safety of your vehicle and those around you.

## SUMMER LEARNING 2022

30 students were able to participate in summer learning activities this summer through a partnership grant with the Marion Family YMCA. Students worked on reading, math, and social emotional skills three days a week, every week in June. They also were able to go on two field trips to begin to practice and apply some of these skills outside of the school setting.

Thank you to our fabulous staff: Mrs. McGinniss, Mrs. Smith, Mrs. Ross, Miss Maison, Mrs. Campbell, and Mrs. Cook for organizing and working with this program!
