Parents of Ridgedale Students

Entering 6th Grade in the 2023/24 School Year:

Your child will be in the 6th grade at Ridgedale next year. The chart below outlines the classes Ridgedale 6th graders will take. While most of the classes are the same for all students, there are a few different classes students can select. An accurate list of student choices helps us develop an efficient master schedule, better meeting the needs of all students.

There are eight academic periods in the day with required classes during seven periods. Each student will have two periods of English, two periods for Math, one Science period, one Social Studies period, and one period for Life Fitness (Health / Physical Education for 6th grade). For the other period, students can choose between Art, Band, or Choir.

Please indicate your choice below and return to Miss Warwick by Friday, February 24, 2023.

Please feel free to contact any of us with any questions. Thank you for your time and efforts to complete this in a timely manner.

Sincerely,

Don Vogt
