

Summers County Board of Education

Scope:

Authority: Board of Education Minutes.

Adopted: June 4, 1974.

Amended: December 15, 2004.

Reviewed:

Repealed: March 28, 2023.

COOKS

All school food service workers must have a chest x-ray or tuberculin skin test and background check prior to starting employment. In addition, they must secure a Food Handlers Permit from the County Health Department before assuming their duties. Food Handlers Permit and TB Test must be kept current.

All school food service workers are directly responsible to the principal and are subject to cooperative supervision by the Director of Child Nutrition.
