

## ATTENTION PARENTS OF PRESCHOOL AGE CHILDREN

The Family and Consumer Science Department at Exeter-West Greenwich Senior High School in conjunction with the Child Development classes will be offering a 12-week preschool experience for 3, 4 and 5 year olds from March 4 to May 31, 2019. High school students will plan and operate the preschool experience under the guidance of Deborah Onanian; Family and Consumer Science Teacher. The program will run from 9:30 AM to 11:30 AM, every Monday, Thursday, and Friday. Class size will be limited to 12 children and enrollment will be on a first come basis. Children must be potty trained (no pull-ups) at the time of registration. The total cost of the program will be \$75.00 to cover snacks and supplies. Payment is due on the first day of preschool. Any questions should be addressed to Deborah Onanian at [deborah\\_onanian@ewg.k12.ri.us](mailto:deborah_onanian@ewg.k12.ri.us). Once again this year we will be using an online registration form. To access the online registration type the following link into your web browser.
