

Mrs. Daily's Supply List:

Please supply the following items for your child this year:

- Headphones For Chromebooks (please label with name)
- 4 folders (Math, ELA, Science & Homework)
- 2 notebooks (ELA and Math)
- A pencil box/bag with the following items:
 - 3-4 pencils
 - a few extra erasers
 - Sticky notes
 - Highlighters (2 different colors)
 - Crayons, markers and/or colored pencils for when students need them.(None of these are required, but it is helpful for students to at least have a few crayons.)

Desired, but not required for the classroom:

- Disinfectant wipes (Lysol, clorox, etc.)
- Kleenex (however many you would like to donate) - We go through a lot of Kleenex during the school year, especially in the spring! We will store them until we need them.

I will have extra supplies (and would greatly appreciate help with this) for any student who does not have the necessary supplies. If you can help, the 2-pocket folders, Kleenex, and Lysol Wipes tend to be the things I need most. Thank you in advance! :)

Breakfast and lunch are provided by the school unless your child brings their own. All students should bring a water bottle daily, however we do have a drinking fountain in the classroom if a water bottle is occasionally forgotten. I will send more information home soon about our daily schedules, what protocols are in place for this school year and anything else you might need to know. I really look forward to meeting the students and getting to know them!

Sincerely,
Kassie Daily
