Dear Whitney Point Families,

The Whitney Point Central School District has been working with the Broome County Health Department as we have received notification of an off-site Pre-K student and a district staff member with confirmed cases of COVID-19. Information regarding these individual's identity cannot be released. We ask that you please respect their privacy.

Per New York State Department of Health guidelines, any person who was in contact with a confirmed case will be quarantined by the Broome County Health Department for up to 10 days.

**A contact tracing investigation has been completed by the Broome County Health Department for these two cases.** Anyone who is considered a contact will be contacted by the Health Department and quarantined. The off-site preschool and the district have attempted to make initial contact with anyone identified as needing to quarantine due to these cases.

We will continue to monitor the situation and keep our community informed.

We appreciate your patience and cooperation as we work to ensure the safety of everyone in our district. We will provide any additional updates via the Whitney Point District Website, [www.wpcsd.org](http://www.wpcsd.org).

Sincerely,

*Patricia A. Follette*
