Dear Whitney Point Families,

The Whitney Point Central School District has been working with the Broome County Health Department as we have received notification of three remote students (one CEA, one TRA, and one HS) with confirmed cases of COVID-19. Information regarding these individual's identity cannot be released. We ask that you please respect their privacy.

According to the New York State Department of Health guidelines, any person who was in contact with a confirmed case will be quarantined by the Broome County Health Department for up to 10 days.

The Broome County Health Department has completed a contact tracing investigation for these cases. There will not be any mandatory school-related quarantines related to these cases.

We will continue to monitor the situation and keep our community informed.

We appreciate your patience and cooperation as we work to ensure the safety of everyone in our district. We will provide any additional updates via the Whitney Point District Website, www.wpcsd.org.
