Dear Whitney Point Families,

The Whitney Point Central School District has been working with the Health Department as we have received notification of one CEA student and one TRA student with confirmed cases of COVID-19. Information regarding these individuals' identities cannot be released. We ask that you please respect their privacy.

According to the New York State Department of Health guidelines, any person who was in contact with a confirmed case will be quarantined for up to 10 days.

Contact tracing investigations for these cases are being conducted. Anyone considered a contact will be notified to quarantine by the Health Department. The school district will also attempt to make initial contact with any employee, student, and family requiring a school-required quarantine for this case.

We will continue to monitor the situation and keep our community informed.

We appreciate your patience and cooperation as we work to ensure the safety of everyone in our district. We will provide any additional updates via the Whitney Point District Website, www.wpcsd.org.

Sincerely,

Patricia A. Follette
