Dear Whitney Point Families,

The Whitney Point Central School District has been working with the Broome County Health Department as we have received notification of one high school student with a confirmed case of COVID-19. Information regarding this individual's identity cannot be released. We ask that you please respect their privacy.

According to the New York State Department of Health guidelines, any person who was in contact with a confirmed COVID case will be quarantined by the Broome County Health Department for up to 10 days.

**The Broome County Health Department has completed a contact tracing investigation for these cases, and anyone considered a contact will be notified to quarantine by the Health Department.**  
No school-related quarantines were necessary in this case.

We will continue to monitor these situations and keep our community informed.

We appreciate your patience and cooperation as we work to ensure the safety of everyone in our district. We will provide any additional updates via the Whitney Point District Website, [www.wpcsd.org](http://www.wpcsd.org).

Sincerely,

*Patricia A. Follette*
