Dear Whitney Point Families,

The Whitney Point Central School District has been working with the Broome County Health Department as we have received notification of a remote student in the Tioughnioga Riverside Academy with a confirmed case of COVID-19. Information regarding this individual's identity cannot be released. We ask that you please respect this individual's privacy.

Per New York State Department of Health guidelines, any person who was in contact with the confirmed case will be quarantined by the Broome County Health Department for up to 14 days. **A contact tracing investigation is underway, and the Broome County Health Department will contact anyone exposed.** Due to the student's remote status, there will not be any mandatory school-related quarantines.

We will continue to monitor the situation and keep our community informed.

We appreciate your patience and cooperation as we work to ensure the safety of everyone in our district. We will provide any additional updates via the Whitney Point District Website, [www.wpcsd.org](http://www.wpcsd.org).

Sincerely,

*Patricia A. Follette*
