School Business Executive

December 21, 2020

Dear Whitney Point Families,

The Whitney Point Central School District has been working with the Broome County Health Department as we have received notification of an employee with a confirmed case of COVID-19 from the TRA. Information regarding this individual's identity cannot be released. We ask that you please respect the individual's privacy.

Per the New York State Department of Health guidelines, any person who was in contact with a confirmed case will be quarantined by the Broome County Health Department for up to 14 days. **The contact tracing investigation is complete, and the Broome County Health Department will contact anyone exposed.** The Whitney Point School District will also make every effort to reach students and employees that are known contacts of a confirmed case in the district.

We will continue to monitor these situations and keep our community informed.

We appreciate your patience and cooperation as we work to ensure the safety of everyone in our district. We will provide any additional updates via the Whitney Point District Website, www.wpcsd.org.

Sincerely,

Patricia A. Follette
